

Volunteer Information and Opportunities!

LifeHouse is a Christian ministry providing housing, healing, and hope to young women experiencing an unplanned pregnancy. Our housing ministry is located at our LifeHouse campus in South Houston and our administrative office is located at 3323 Bissonnet. We provide services and have needs for volunteers at both locations – as we are also providing “outreach” services to other young pregnant and parenting women who need “healing and hope”, but not necessarily housing.

We need ALL types of spiritual gifts and talents at LifeHouse:
